**[Establishment of a manufacturing factory of car mats in Thailand]**

Suminoe Koide (Thailand) Co., Ltd. was set up as a manufacturing factory of car mats, to enhance our competitiveness in the Thai market. Since handicrafts are thriving in the Sankampaeng district, Chiang Mai Province in northern Thailand, the location is well suited for the mat manufacturing business. Also, since the factory is located close to the border with Myanmar and Laos, we are working together with employees of various nationalities. By applying the expertise in mat production that we have accumulated so far, we strive to improve the production efficiency of the factory.
